

Meet Sunny!

Sunny (short for Sunshine) is a nearly 1-year-old mixed-breed dog (likely a shepherd mix) who is ready to find her perfect forever home. True to her name, Sunny's personality is bright, cheerful, and full of warmth. She would love nothing more than to follow her person around and be a loyal best friend. Sunny originally entered our service dog program, but she is now seeking a pet home where she can enjoy life as a beloved companion.
